TIPS FROM OUR 2015 FUNDRAISERS

- Register Online**
as a *Confident Girls* Fundraiser (www.confidentgirls.com.au)
- Customise**
your online *Confident Girls* fundraising page.
- Invite people**
to donate via your fundraising page.
- Run an activity**
Set a date and give yourself enough time to get organised, allowing for any approvals you may need (such as from your netball club, school or work place).
- Follow**
Keep an eye on #ConfidentGirls to see what other people are doing – you might find inspiration or someone may copy your idea!
- Keep it simple**
Some of the best fundraisers in the world are the simplest. Keep your idea easy and fun for people to participate in.
- Promote**
Ask people to support you – promote your fundraising page to your social media, netball club, school or workplace.
- Download**
Confident Girls free resources and tools – to help promote your fundraising activities and events. These include posters, invitations, bunting, medals, thank you certificates and so much more.
- Ask for help**
from your family, employer, school principal, netball club president, coach and community groups. Many hands make light work!
- Remind**
Constantly remind people that you need their help – polite and respectful nagging can be good in these situations.
- Say thank you**
to your donors, supporters and anyone else who has helped you.

When it's all over – reflect on your efforts and the impact you will have on the lives of disadvantaged girls – then start planning for next year!

Good luck!
