

# CONFIDENT GIRLS

Give every girl a chance

## FUNDRAISING INFORMATION FOR KIDS

**“I will be forever grateful for what the game of netball has given me, lifelong friendships and experiences that one can only dream of. However, underneath all of this, the wonderful game of netball allowed me to grow from a shy country girl into a young woman with self-belief. It has been one of the biggest positive influences in my life!”**

**—Laura Geitz (Current Australian Captain)**

We love playing netball and we know you do too. It's a great way to be active, have fun and make friends. But not every girl in Australia has the same chance as you to be part of a netball team.

Some girls can't get to sporting activities, or their family may not be able to pay for fees and uniforms. Their English-speaking skills might not be very good, or the school they go to might not be able to afford to offer sport or provide equipment.

We want to give more girls a chance to enjoy the fun of playing netball and build their self-confidence. That's why we're running the *Confident Girls* campaign and we need your help to donate or raise money.

Fundraising for *Confident Girls* is fun, easy and you'll also have the chance to win some great prizes from the Australian Diamonds.
