**Annie Wilmott - Sailing**

*'My dream of winning gold at the 2020 Olympics takes a lot of time, effort and financial support. The tax-deductible offering through the Sports Foundation is a conversation door opener to many potential donors who want to maximize their support for my program'*

**Jackson Kalz - Golf**

*'I joined with the Sports Foundation to pursue my goal of representing Australia. Working with the Sports Foundation was instrumental in helping me to raise the necessary funds and gain support and recognition for my goals and achievements. As a direct result of this opportunity, I was able to demonstrate my skills in front of the elite college golf scouts which lead to securing a four year scholarship with a US College to further my dream of becoming a professional golfer'*

**David Clegg - Squash**

*'The Sports Foundation has helped me be able to pursue my athletes dream of being a full-time professional squash player. Without the Sports Foundation I would not have the sponsors that help fund my tour around Europe.*

*I would highly recommend anyone wanting to take on their chosen sport full-time and live their dream as a professional athlete!! Dreams can come true with dedication and a little bit of help.'*

**Sharon Jarvis**

*'Competing at a Paralympics does not just happen in my sport without a huge personal financial sacrifice for the everyday necessities in getting to the top.*
